STANDARD EQUIPMENT

FUNCTIONAL (continued)

- SYNC® 4
  - 13.2” Center Display
  - Information On Demand Panel
  - SYNC® 4 AppLink®
  - Wireless Apple CarPlay® and Android Auto™ Compatibility
  - Conversational Voice Command Recognition
  - Digital Owner’s Manual

  - Smart-Charging USB Ports – two (2)
- Track Apps®

[3] The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist® to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to your SYNC® [Ford/Lincoln Digital Experience] system, and the 911 Assist feature enabled, in order for 911 to be dialed. When the feature is ON, 911 Assist uses your paired and connected mobile phone to assist occupants to contact emergency services by dialing 911 if your airbag deploys or, on certain vehicles, if the emergency fuel pump shut-off is activated.

Aftermarket on-board diagnostic devices may interfere with various vehicle systems including Vehicle Health Report and 911 Assist. To avoid interference, remove the device or contact the device maker for more information on compatibility.

[2] "Designed to optimize driving dynamics and provide superior performance on wet and dry roads. High performance summer tires wear faster than non-performance tires. Ford does not recommend using summer tires when temperatures drop to approximately 45 deg F (7 deg C) or below or in snow/ice conditions."

[3] Drift brake is intended for track use only. It should never be used on public roads. See Owner's Manual for information on use.

FUNCTIONAL

- Audio
  - — B&O® Sound System by Bang & Olufsen®, 12 Speakers including Subwoofer in-trunk, SiriusXM® with 360L[4] and HD Radio™

[4] Note: Includes a three (3)-month prepaid subscription. Service is not available in Alaska and Hawaii.
Note: Trial length and service availability may vary by model, model year or trim.
Details: SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers.

Satellite and streaming lineups vary slightly.

FUNCTIONAL (continued)

- High-Mounted Mirror USB Charging Port
- Ford Connectivity Package (1-year Included)*
  Ford Connectivity Package includes (features may vary by make and model):
  - — Unlimited Wi-Fi Hotspot
  - — Connected Navigation
  - — Audio Streaming
  - — Voice Assistant

Note: Not available with Military Personnel Sales (WAFAC)

Note: *Ford Connectivity Package included for one-year from warranty start date. Requires activation via Ford app with credit card authorization; customer may cancel at any time. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.
